

Competence 1

Demonstrates the ability to undertake rigging and lifting activities under normal operations

This meets the requirements of IMCA C002/M/A14/B01 to B08

Candidate Name:		Date:	
Activity Number (1,2, or 3):			

Performance Criteria: all of these must be assessed over a minimum of 3 work activities

Type of Evidence: Observation (O), Work Product (P), Written (W), Questioning (Q), Not Covered (N/C) or Not Applicable (N/A)

	Performance Criteria	Type of Evidence
a)	Demonstrates the correct and appropriate rigging and slinging techniques for various activities	
b)	Completes a liftplan for six different lifts	
c)	Assists in carrying out a Liftgear Inventory	
d)	Understands the correct procedure to inspect liftgear prior to use	
e)	Shows an understanding of correct use of shackles	
f)	Shows an understanding of the correct application of stoppers	
g)	Understands the correct procedure to quarantine liftgear	
h)	Checks pre slung items fit for purpose	
i)	Understands the correct procedure for the receipt of 'new' items of liftgear and the correct administration of the certification	
j)	Demonstrates the ability to carry out deck lifting operations	
k)	Demonstrates the ability to carry subsea lifting operations	
l)	Demonstrates correct maintenance, housekeeping and upkeep of the rigging loft and associated equipment	
m)	Understands, implements and checks the correct colour code policy for all items of lift gear	
n)	Demonstrates safe manual handling of equipment and machinery during operations	
o)	Demonstrates the correct procedure of securing decks and equipment prior to the vessel departure from port	
p)	Inspects all rigging and lifting equipment in line with Company and Legislative requirements	
q)	Assists in carrying out a Deck Inspection prior to departure	
r)	Demonstrates the ability to 'bank' a crane safely	
s)	Assists in the application of the following liftgear items: Chinese fingers (sock and lace application), pre-form stoppers, Kevlar stoppers	
t)	Demonstrates the ability to communicate instruction clearly and accurately and via hand held radios using appropriate protocol	
u)	Demonstrates knowledge of vessel propulsion systems, such as propellers and thrusters	
v)	Assessor - I have discussed the above performance criteria with the candidate and confirm that they have the underpinning knowledge to support their performance in these criteria	
w)	Candidate - write a short report (250 words max) on how you achieved these criteria over the 3 assessed work activities
